

Grievance Redressal and Dispute Settlement Mechanism

The Portfolio Manager shall endeavour to address all complaints regarding service deficiencies or any other grievance, for whatever reason, in a reasonable manner and within a reasonable time. The detailed process for grievance redressal is set out below.

Grievances, if any, arising pursuant to the portfolio management agreement shall, as far as possible, be addressed through the administrative mechanism of the Portfolio Manager and shall be subject to the SEBI (Portfolio Managers) Regulations, 2020, and any amendments made thereto from time to time.

If the Client remains dissatisfied with the remedies offered or the position taken by the Portfolio Manager, the Client and Trivantage Capital shall be governed by the following mechanism:

The agreement with the client shall be governed by, construed and enforced in accordance with the laws of India. Any action or suit involving the agreement with a client, or the performance by either party of its obligations thereunder, shall be subject to the exclusive jurisdiction of the courts at Mumbai, Maharashtra.

Detailed Stages of Grievance Redressal Mechanism for Portfolio Management Services (PMS)

1. Grievance Submission by Client/Investor

- a. The Client/Investor may first raise the grievance with the Portfolio Manager through the designated grievance redressal/contact mechanism.
- b. The complaint should include all relevant details and supporting documentation, including the nature of the grievance, portfolio account details, transaction history and prior correspondence, if any.
- c. The Portfolio Manager shall acknowledge receipt and review the complaint.

2. Acknowledgment and Initial Review by Portfolio Manager

- a. Upon receipt of the complaint, the Portfolio Manager shall review the grievance and take reasonable steps to address it.
- b. During this stage, the Portfolio Manager may seek additional information or clarification from the Client/Investor, where required.
- c. The Portfolio Manager shall communicate its response or proposed resolution to the Client/Investor within the applicable timelines.

3. Escalation through SCORES

- a. In case the grievance is not satisfactorily resolved by the Portfolio Manager, the Client/Investor may lodge a complaint through SEBI's SCORES platform.
- b. SCORES is a web-based grievance redressal system for complaints against SEBI-regulated entities.
- c. The complaint may thereafter be taken up in accordance with the applicable SEBI grievance redressal framework.

4. Online Dispute Resolution Mechanism

- a. In the event of an unresolved dispute, the Client/Investor may avail of the Online Dispute Resolution mechanism, in accordance with the applicable regulatory framework.
- b. Such process may involve mediation, conciliation and/or arbitration, as may be applicable.
- c. The outcome of such process shall be communicated to the parties in accordance with the applicable rules and procedures.

5. Final Resolution and Closure

- a. The grievance or dispute shall be treated as resolved upon closure under the applicable internal, SCORES and/or ODR process, as the case may be.
- b. Records of the grievance redressal process shall be maintained in accordance with applicable legal and regulatory requirements.
